2023 MELBOURNE PRACTICAL IMPLANT COURSE

Dr. Sheng Zhang

COURSE SUMMARY

This two-day course has been specifically designed for dentists wishing to start their journey in dental implantology safely. The course will focus on prosthetically driven implant treatment planning with an update on the latest science in implant restorations. Surgical aspects such as flap design, suture techniques and implant placement protocols will be covered with a focus on soft tissue preservation to improve mucointegration. At the conclusion of the two days you will be empowered to surgically place and restore single unit implant cases. The course is a combination of theory and hands on workshops.

COURSE DIRECTOR

- Principal Dentist of Dental Artistry Group
- BDS (Adel U.M), BOH (Syd)
- GradDip Orthodontics (JCU)
- MDS Implantology (UJI)
- Fellow of Royal Australasian College of Dental Surgeons, International Dental Implant Association and International Academy of Dentofacial Esthetics

Dr. Sheng Zhang

Dr Sheng Zhang is a general dentist with a special interest and practice limited to implants and periodontics. He has studied extensively around the world learning from the leaders in the field and completed numerous externships in Europe and USA. Dr Sheng has specifically designed this course for those who are just embarking on their dental implantology education and it is a culmination of knowledge that he wished was instilled in him when he first started his implant journey.
