LECTURER

DR. JOHN ECHAVARRIA

CEO IMPLANT ED
FORMER TREATMENT COORDINATOR AT AIDER DENTAL CLINIC
FORMER CLINICAL SPECIALIST AT MOREDENT IMPLANTS MIS
CLINICAL ADVISOR AT MINIMAX
KEY OPINION LEADER IN DENTIUM IMPLANTS

Dr John Echavarria is a dentist specialist in implantology and prosthodontics from UNICIEO University Colombia, which is known as one of the most important in Latin America in implant dentistry, he has dedicated to the implant treatment of patients with cases ranging from simple to very complex.

As an specialist he is in the capacity to develop clinical cases from the diagnosis to the treatment in an integral way with scientific bases, theoretical sustenance and clinical skills to achieve the best results.

Over the last seven years in Australia he has worked in the implant industry as a treatment coordinator in one of the busiest clinics in Queensland, as clinical specialist in one of the biggest implant companies in the country, as a mentor and advisor of many dentists in Brisbane to help them to reach a high level in implants treatments. **With vast experience in full-arch cases and successful completion of highly complex cases.**

Now as the founder of IMPLANT ED he is committed to run the best and most completely face to face theoretical and practical implant course in the market.

PRESENTING THE MOST COMPLETE COURSE IN SURGERY AND IMPLANT REHABILITATION IN FULL ARCH CASES
